County-wide Aerial Operations Training

Last week, Greater Naples Fire Rescue District hosted a county-wide Florida State Fire College Aerial Operations course. Firefighters from Greater Naples were joined by others from the City of Marco Island, City of Naples, Immokalee Fire Control District, Isle of Capri Fire District, and Ochopee Fire District.

Firefighters conducted various drills including safe apparatus placement, victim rescue approach, and completed tactical objectives to mitigate a large commercial fires, employing defensive/offensive strategies in accordance with NFPA 1002, Standard for Fire Apparatus Driver/Operator Professional Qualifications.

Aerial trucks from Greater Naples, City of Naples, Marco Island and Immokalee were utilized for this training; exposing firefighters to many types and styles of apparatus utilized throughout the county.

If you would like more information regarding this topic, or to schedule an interview, please contact the Greater Naples Fire Rescue District Headquarters.
