Wildfire Donations

The Greater Naples Fire and Rescue District is grateful to the public who have gone out of their way to make sure our first responders have been fed or ensured they had water and other fluids to drink as they fight the 6,000 acre Lee Williams Road fire. Your generosity has kept our men and women going through the long shifts.

Because of your kindness, the firefighters working this fire have an ample supply of donations and we are not accepting any more that this time. Should a future need arise, we will be sure to let the public know.

Thank you for your patience and understanding as we close roads, evacuate homes, and work to do everything we can to fight this fire. Our first responders are working hard to get this blaze back under control. We appreciate your support.
