Deputy Chief Hanson Accepted into IAFC Diversity Executive Leadership Program

The International Association of Fire Chiefs (IAFC) Diversity Executive Leadership Program (iDELDP) supports individuals from under-represented identity groups and those interested in creating a diverse workforce to advance into the ranks of leadership in the IAFC and fire and emergency service leadership at a national level. IAFC DELP Fellows participate in a leadership program of education, mentoring, and volunteer service in the IAFC and fire service community.

Greater Naples Fire District (GNFD) is proud to announce that the GNFD Investigative Section Manager and Fire Marshal, Deputy Chief Shawn Hanson, was one of 15 senior level fire and emergency service professionals selected from around the United States and Canada to participate in this two year program. The program aims to provide participants with the tools necessary to become national leaders in the fire and emergency service and the IAFC.

*If you would like more information regarding this topic, or to schedule an interview,
please contact the Greater Naples Fire Rescue District Headquarters.*
