Greater Naples Firefighters Impacted by Hurricane Irma

The Greater Naples Fire Foundation, Inc. (GNFF), a non-profit 501(c)(3), is seeking the community's support for two Greater Naples Fire Rescue Firefighters and their families that have lost their homes as the result of Hurricane Irma.

The Foundation was established to support firefighters during times of crisis in addition to sponsoring the District's annual toy and sneaker drives to benefit children of Collier County. The District's family of firefighters and civilian employees are actively supporting their own but they need everyone's assistance. 100% of all donations will go directly to these two firefighters and their families to assist them during the recovery process.

Cash or check donations for the Greater Naples Fire Foundation may be dropped off or mailed to the GNFD Headquarters located at 14575 Collier Blvd., Naples, FL 34109 or the GNFD Fire and Life Safety Facility located at 2700 N. Horseshoe Drive, Naples, FL 34104. Donations may be tax deductible. To keep the program manageable other forms of donations are discouraged at this time.
