### GREATER NAPLES FIREFIGHTERS RESPOND TO FLORIDA'S PANHANDLE

Yesterday afternoon members of Greater Naples Fire Rescue District dispatched 11 firefighters to the Florida panhandle as part of the Florida Fire Chiefs' Association's Statewide Emergency Response Plan. These highly trained firefighters perform as part of the countywide Urban Search and Rescue Team Task Force and are capable of Swift Water Rescue Responses and Rapid Damage Assessment operations.

Greater Naples firefighters were joined by fellow first responders from North Collier, Naples, and Immokalee fire rescue agencies, and Collier County EMS. Resources are currently working in the Panama City area.
