GREATER NAPLES FIRE RESCUE DISTRICT

FACILITIES MAINTENANCE TECHNICIAN

About Us

The organization is the largest independent fire district in the State of Florida, providing emergency response and life safety services to the Chokoloskee, Everglades City, Golden Gate, East Naples, Isles of Capri, Port of the Islands, and surrounding communities. The Fire District is governed by a Board of five elected Fire Commissioners, and proudly staffs 240 uniform firefighters and civilian support staff. The Fire District deploys emergency apparatus from 16 fire-rescue stations. In addition, the Fire District manages a variety of support operations from six additional facilities including Administration, Fire & Life Safety, Training and Special Operations, Logistics, and Fleet Maintenance.

Our fire service professionals provide services to more than 160,000 residents living and working within the District's 1,512 square miles. In 2021, our fire service professionals responded to 27,366 emergency incidents and conducted 8,883 life safety inspections within the Greater Naples Fire Rescue District and Collier County at-large.

Mission, Vision, Values

The **Greater Naples Fire Rescue District** is a high performance emergency service provider. Our **MISSION** is to protect life and property by providing emergency response services and education for the residents, businesses and visitors of our community.

Our **VISION** is to increase response effectiveness, enhance professionalism and operational efficiencies and use taxpayer dollars responsibly, while holding ourselves accountable to earn your trust. This vision guides us daily as we serve our community and visitors.

The Fire District's core **VALUES** include Professionalism, Integrity and Compassion. Our membership strives to meet these in every aspect of their service delivery and community outreach.

GREATER NAPLES FIRE RESCUE DISTRICT

FACILITIES MAINTENANCE TECHNICIAN

Job Summary

The Facilities Maintenance Technician is expected to perform a variety of semi-skilled work in the maintenance of District properties and facilities, perform preventative maintenance functions to ensure systems are operating efficiently and perform related duties as assigned. The Facilities Maintenance Technician is responsible for small to medium in-house repairs and the coordination of outside vendor relations for assigned contracted repair/remodel jobs and annual/monthly maintenance contracts.
